Line Check Captain (LCC) Authorization Issuance Application Form
 Line Check Captain Authorization is Valid for 24 Calendar Months
 Submitted within a minimum of 10 days before authorization use is required

4. LCC Authorization Issuance.

a. LCC Authorization Details.

• Applicant name	
• Authorization type	• Line Check Captain (LCC) Authorization
• Airplane type	
• AOC holder name	
• Authorization expiry date - calendar months	

b. LCC Authorization Privileges.

- The privileges of the line check captain is to conduct line check as a part of the operator conversion course, command up grade course and the annual line check to:
 - Establish the ability to perform satisfactorily a complete line operation including pre-flight and post-flight procedures and use of the equipment provided, as specified in the Operations Manual
 - Assess flight crew on their crew resource management CRM skills in accordance with a methodology acceptable to the CARC and published in the Operations Manual. The purpose of such assessment is to provide feedback to the crew collectively and individually and serve to identify retraining; and be used to improve the CRM training system. CRM assessment alone shall not be used as a reason for a failure of the line check

c. LCC Authorization Conditions.

- Line check must be completed in an airplane
- Line check captain shall occupy the observer seat where installed
- When pilots are assigned duties as pilot flying and pilot non-flying they must be checked in both functions
- CRM assessments shall solely be based on observations made during the initial briefing, cabin briefing, cockpit briefing and those phases where he/she occupies the observer's seat
- In the case of long haul operations where additional operating flight crew are carried, the line check captain may fulfil the function of a cruise relief pilot and shall not occupy either pilot's seat during take-off, departure, initial cruise, descent, approach and landing
