

**Notice of Proposed Rule Making
of JCAR Part-66
Personnel Licensing (Certifying Staff)**

NPRM : Reg. 8/2020

Release Date: 7 / 12 /2020

Jordan Civil Aviation Regulatory Commission (CARC) hereby releases an amendment to Part 66 paragraph (d)(4).

This amendment is **deleting paragraph 66.00 (d)(4) which remove the limitation of one year while many of license holders (part 65) are working outside Jordan or completing their university study which led to a loss of their part – 66 license.**

This notice is to announce the proposed change and to seek concerned parties' comments regarding the above mentioned regulations and to facilitate enhanced public involvement in the process.

The CARC encourages comments concerning these changes to be directed to the following address:

Mohammad.Al-husban@CARC.GOV.JO

Abdalah.Alhajel@CARC.GOV.JO

The closing date of comments **6/1 /2021**

**Capt. Haitham Misto
Chief Commissioner/CEO
Civil Aviation Regulatory Commission**

66.00 General

- (a) For the purpose of this Part, CARC is the competent authority and shall be the authority to whom a person first applies for the issuance of an aircraft maintenance license.
- (b) CARC shall be responsible for defining:
- (1) The list of aircraft types; and
 - (2) What airframe/engine combinations are included in each particular aircraft type rating.
- (c) Certifying staff
- (1) Certifying staff shall be qualified in accordance with the provisions of Part 66.
 - (2) Any maintenance license and if any, the technical limitations associated with that license, issued by CARC in accordance with the previous Part 65 requirements and procedures and valid at the time of entry into force of this Part, shall be deemed to have been issued in accordance with this Part.
 - (3) Certifying staff holding a license which do not require an individual type rating may continue to exercise his/her privileges until the first renewal or change, where the license shall be converted to the ratings defined in point 66.45 of this Part.
- (d) **Entry into force**
- (1) This Part shall enter into force on the day of the first of September 2013.
 - (2) Certificates issued in accordance with Part-65 before this Regulation applies shall remain valid until they are changed, suspended or revoked or till 31 December 2017.
 - (3) Any applications received to convert Part 65 Certificate into Part 66 license after 31 December 2017 will not be processed unless a satisfactory demonstration by an examination of the level of knowledge in the human factors and aviation Legislation Modules in accordance with Appendix I to Part 66 is verified. The examination shall be conducted by CARC.
 - ~~(4) After 31 December 2018 CARC will not process any application to convert Part 65 certificates. Application shall meet part 66 Eligibility requirements set forth in point 66.15. (removed)~~
